

Worry No More Maintenance Plan (FREE for one year) sign up process:

- 1) Goto the Chatham PC Specials page (if you are not already there):
<http://www.chathampc.com/special.html>

- 2) Click on the orange button on the page to start the setup process:

Click here for one FREE year of computer Tune-ups and more!

- 3) Now click in the empty box to indicate that you are “not a robot”:

<h3>Are you human?</h3> <div style="border: 1px solid #ccc; padding: 10px;"><input type="checkbox"/> I'm not a robot  <small>reCAPTCHA Privacy - Terms</small></div> <div style="border: 1px solid #ccc; text-align: center; padding: 5px; width: 100%;">Next</div>	<h3>Are you human?</h3> <div style="border: 1px solid #ccc; padding: 10px;"><input checked="" type="checkbox"/> I'm not a robot  <small>reCAPTCHA Privacy - Terms</small></div> <div style="border: 1px solid #ccc; text-align: center; padding: 5px; width: 100%;">Next</div>
--	---

- 4) Now please enter your Email address. We use that to check if we “know” this Email address in our client database or not:

<h3>Get Started</h3> <p>Just give us your email to get started:</p> <div style="border: 1px solid #ccc; padding: 5px; width: 100%;">Email address</div> <div style="border: 1px solid #ccc; text-align: center; padding: 5px; width: 100%;">Continue</div>	<h3>Get Started</h3> <p>Just give us your email to get started:</p> <div style="border: 1px solid #ccc; padding: 5px; width: 100%; border-color: #00aaff;">Henrik@Lippke.org</div> <div style="border: 1px solid #ccc; text-align: center; padding: 5px; width: 100%;">Continue</div>
--	---

- 5) If we “know” your Email address already as an existing client in our system, you will receive below message. If we don't know you by your Email address, you can skip to step 11.

Ok - Found your profile!

We found you in our system and we've emailed you a link to your Customer Portal. Please look for that email and click the link!

6) Now simply go to your Email and click in the Email where it says "Click here".

Click to Login

Someone (hopefully you) entered your email address needing access to the Customer Portal.

If that was you - [Click Here](#)

7) Now please select your existing computer vendor from the list and click on "Buy - \$0.00 per month".

8) Now click on "Download Software Now" and run the software installation.

- 9) You may get a message or two like below if our software need to update the “Microsoft .NET Framework”. This happens mostly to Windows 7 computer. If you get the message(s) below simply wait until the message is done and reboot your computer if asked.

- 10) You should now receive a welcome message like below, which you can click OK or Cancel on (it doesn't matter what you click on here) and your system is ready to be automatically tuned, maintained, monitored, health checked, updated and more. There is nothing more for you to do here as our automated system will in the coming weeks do its magic in the background with as little interaction from you as possible. Welcome to our “Worry No More” program!!!

11) Now just enter your contact information and click on "Continue"

Packages - Proactive Monitoring & Management
